Re: *Facebook v. ConnectU, et al.*

Dear Scott:

Please find enclosed Facebook's supplemental document production labeled Bates range FBCA051063-51222. These documents have been designated as "Highly Confidential – Attorneys' Eyes Only" and should be treated as such pursuant to the stipulated protective order in place for this action.

We believe this supplementation completes Plaintiffs' production in response to ConnectU's Second Request for the Production of Documents, served August 24, 2007. Because Plaintiffs are still reviewing documents responsive to requests served in the Massachusetts action, Plaintiffs reserve their right to supplement their production in this matter, if their review uncovers additional materials.

We also have identified additional responsive documents, which already have been produced. They can be found at TFB002253-2295, TFB002296-2338, TFB002339-2340, TFB002341-2342, TFB002343, TFB001020-1487, TFB001488-2114, TFB002116-2129.

Best regards,

Theresa A. Sutton
